### Visitors and New Applicants

WEBCC regards itself as a friendly and welcoming Club that caters for photography enthusiasts irrespective of their level of knowledge. Generally, the Club does not offer formal training, however some training on specific topics runs from time to time and more experienced Club members are always willing to give informal help and advice. Members also benefit from seeing their own images and those of others constructively evaluated by independent qualified judges or listening to external speakers on various photography related subjects.

Potential members are encouraged to attend 2 or 3 meetings to see if the Club is one they would like to join. The only charge would be the meeting charge of £2 per evening, or £5 on an evening when we have a guest speaker.

New applicants should follow the 3-step renewal process above. In the very unlikely event that we are unable to accept new members we will place you on our waiting list and return your Membership fee.

*Note: Membership age is restricted to 18 years and over.*

### **2019-2020 Membership**

Membership charges consist of an Annual Membership fee, plus a meeting charge of £2 paid on entrance to each evening attended.

#### **Annual Membership fees:**

Aged 18-21 members: Half price, i.e. £17.50, and £1 meeting charge

#### **Half Season Fees:**

Anyone joining on or after the 1<sup>st</sup> January 2020 will be liable for half the Annual Membership fee, but the full meeting charge.
